11th December 2024

Dear Customer,

As a result of supplier price increases, it is regrettable that we will need to introduce some price increases effective from 1st January 2025. The exact price increase on specific products within the ranges supplied will vary and some exceptions will apply.

Please note price change notifications are posted on our website www.heatmerchants.ie

If you have any queries please contact your local branch manager or sales representative.

Best Regards

Heat Merchants Customer Support
